Section 2. Notice of Appeal

Any Participant (as defined in the NEPOOL Agreement) seeking review by the Review Board of action or failure to act by the Participants Committee shall serve in accordance with Section 4 of these Rules, not later than five (5) business days from the meeting at which the Participants Committee decided or considered the matter, a written or electronic notice of appeal with the administrative office of the Review Board. A copy of such appeal notice shall be also served upon the Secretary of the Participants Committee and the General Counsel of the System Operator. By no later than 5:00 p.m. on the next business day after the Secretary receives notice of the appeal, the Secretary shall distribute the appeal notice to each member and alternate member of the Participants Committee.

Section 3. Intervenors

Any other Participant or entity that wishes to intervene in an appeal proceeding shall serve notice of its intention to intervene within five (5) business days from the advice of the Secretary as to the existence of an appeal. All filings shall be accompanied by a certificate of service.

(b) The Review Board upon timely motion, may grant extensions of time to file beyond the specified periods other than the initial notice of appeal, for good cause shown, provided no party will be disadvantaged and it will not delay the rendering of a decision beyond the time period in Section 12.

Section 5. Pre-Hearing Submissions

(a) Each appealing party shall provide the Review Board at the same time as it is the serving its notice of appeal a written statement of its complaint and a statement of the remedies it seeks, accompanied by copies of any documents or other materials it wishes the Review Board to

consider. The Participants Committee will provide the Review Board and all intervenors and appealing parties within five (5) business days of the appealing party's submission copies of the minutes of all NEPOOL committee meetings at which the subject matter of the appeal was discussed together with a brief description of the action (or failure to act) being appealed and a brief statement explaining why the Participants Committee believes its action (or failure to act) shall be upheld by the Review Board, and copies of any supporting documents or other materials which the Participants want the Review Board to consider in connection with the appeal.
