Dear Mr. Boergers:

The Settlement Agreement that is Attachment 1 to the Offer of Settlement filed on Monday, June 1, 2001, by ISO New England Inc. included blank signature pages for Braintree Electric Light Department, Reading Municipal Light Department, Taunton Municipal Lighting Plant and Central Maine Power Company, and a faxed signature page for TransCanada Power Marketing Ltd., due to the exigencies encountered in receiving these signature pages from the settling parties.

Attached hereto for filing in the referenced proceeding are the original signature pages for Braintree Electric Light Department, Reading Municipal Light Department, Taunton Municipal Lighting Plant and Central Maine Power Company, and an original signature page for TransCanada Power Marketing Ltd., together with 14 copies thereof.

An additional set of these pages is enclosed for date-stamping by your staff and return to the messenger making this filing. Copies of this letter and attachments are being served on all parties to this proceeding.
