Steve,

The ISO's website indicates that comments on the draft determination letter are due by COB July 1. Given that we are first meeting with you on July 1, followed by a holiday weekend, it would be helpful if ISO gave all stakeholders a few more business days. We will have comments ready for you on July 1, but to be safe, I suggest that the deadline be extended to July 9. Is this something you can/will change on the website?

Dave
