

| <b>REGIONAL RATES NOTICE</b> |   |
|------------------------------|---|
| <b>TO:</b>                   | NEPOOL Transmission Committee Members and Alternates  |
| <b>FROM:</b>                 | Lisa M. Cooper, Chair - Rates Work Group (“RWG”) of the Participating Transmission Owners Administrative Committee (“PTO AC”) |
| <b>DATE:</b>                 | June 9, 2017  |
| <b>RE:</b>                   | Schedule 9 and Schedule 1 Rates Effective June 1, 2017  |

Please note that the formula rates for Schedule 9 Regional Network Service (“RNS”) and Regional Schedule 1 Service effective June 1, 2017 have been updated to reflect actual data for 2016, forecasted data for 2017 and the annual true-up and associated interest. The resulting rates for RNS and Schedule 1 are included in the table below for stakeholder informational purposes and for posting on OASIS.

| -----REGIONAL RATES (\$ / kW-year)----- |          |          |                           |  |         |
|---|----------|----------|---------------------------|--|---------|
|   | Pre 97   | Post 96  | Rates Effective<br>6/1/17 | Total Rates<br>Previously in<br>Effect 06/1/16 | Change  |
| Schedule 9                              | 17.29784 | 94.66009 | 111.95793                 | 104.10041                                      | 7.85752 |
| Schedule 1                              |          |          | 1.80704                   | 1.79594  | 0.0111  |

The PTO AC approved the filing of the RNS and Schedule 1 rates effective June 1, 2017 at the meeting held on June 7, 2017. An informational presentation will be made to NEPOOL stakeholders at the RC/TC summer meeting on July 18 and July 19, 2017.

The PTO AC on behalf of the New England PTOs will submit an Annual Informational Filing to FERC on or before July 31, 2017 and a draft of the Information Filing will be available for viewing on ISO’s web site by June 15, 2017 at:
