- ☐ Telemetry requirements addressed (if applicable)
- ☐ Required coordination completed
- ☐ Operational contacts established
- ☐ Roles understood
- ☐ Questions resolved

Ready for Commercial Operation?

If all items are complete, the aggregation may be ready to proceed toward activation.

If there are list items that are unable to be checked, create an Ask ISO ticket or email AskISO@iso-ne.com.

In case of discrepancy between training provided by ISO and the Tariff or Procedures, the meaning of the Tariff and Procedures shall govern.
