To: Participants Committee

From: Jill Macura, Secretary, Transmission Committee

Date: November 3, 2026

Subject: Actions of the Transmission Committee from the November 3, 2026 Meeting

This memo is to notify the Participants Committee ("PC") of the actions taken by the Transmission Committee ("TC") at the November 3, 2026 meeting. A quorum was established.

(Agenda Item 2.0) (66.67% Vote) – New England Large Load Show Cause Order (EL26-72)

ACTION: APPROVED

The following motion was moved and seconded by the Transmission Committee:

Resolved, that the Transmission Committee recommends the Participants Committee support the proposed changes to Section I and II of the ISO's Transmission, Markets, and Services Tariff, including Section I.2.2 defined term changes, as well as additions and revisions to the Open Access Transmission Tariff (OATT), including the OATT Table of Contents, a new Part II.J, Schedules 1, 2, 9A, 16, 17, 22, and 23, new Attachments S, T, U, and V, and conforming changes to Section II.B., to address FERC's June 18, 2026 show cause order related to the integration of large and co-located loads, as distributed to the Committee for its November 3, 2026 meeting, together with any further changes recommended by this Committee, and such further non-substantive changes as the Chair and Vice-Chair of the Transmission Committee may approve.

Based on a show of hands, the motion passed with five opposed (3 Generator, 1 Supplier, 1 AR) and two abstentions (2 End User).
