Honorable Kimberly D. Bose, Secretary
Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, D.C. 20426-0001

*Re: Common Performance Metrics, Docket No. AD14-15-000
ISO/RTO Joint Common Performance Metrics Report*

Dear Secretary Bose:

The six Independent System Operators (“ISOs”) and Regional Transmission Operators (“RTOs”) regulated by the Federal Energy Regulatory Commission¹ (“Commission”) are pleased to submit their joint 2015 ISO/RTO Metrics Report. This 384-page report reflects the content outlined in the August 26, 2014 *Common Metrics Commission Staff Report*,² as applicable and as information is available for each entity for the five year period from 2010 to 2014.

The ISOs/RTOs have combined their data and narratives into one report, instead of six separate documents, for the convenience of the readers. This combined report is organized as follows:

- Executive Summary
- ISO/RTO Geography and Operations Statistics
- Performance Metrics and Other Information

¹ The California Independent System Operator Corporation (“California ISO”), ISO New England, Inc. (“ISO-NE”), Midcontinent Independent System Operator, Inc. (“MISO”), New York Independent System Operator (“NYISO”), PJM Interconnection, L.L.C. (“PJM”), and Southwest Power Pool, Inc. (“SPP”) have each contributed to this report.

² *Common Metrics Commission Staff Report*, Docket No. AD14-15-000 (Aug. 26, 2014).

- Descriptions – common definitions of metrics and other information included in each ISO's/RTO's section
- California ISO
- ISO New England
- MISO
- New York ISO
- PJM Interconnection
- Southwest Power Pool

Also included for each ISO/RTO is a spreadsheet incorporating the numeric values corresponding to that ISO/RTO's charts and tables containing metrics in the 2015 ISO/RTO Metrics Report, as required.³

Accordingly, the following documents are enclosed with this transmittal letter:

1. 2015 ISO/RTO Metrics Report;
2. CAISO 2010-2014 Metrics Data;
3. ISO-NE 2010-2014 Metrics Data;
4. MISO 2010-2014 Metrics Data;
5. NYISO 2010-2014 Metrics Data;
6. PJM 2010-2014 Metrics Data; and
7. SPP 2010-2014 Metrics Data.

³ *Common Performance Metrics*, Request for Information on Common Performance Metrics for RTOs and ISOs and Utilities Outside RTO and ISO Regions, Docket No. AD14-15-000, at n 3 (Aug. 17, 2015).

Any questions concerning this report should be addressed to the undersigned.

Respectfully submitted,

/s/ Suzanne Daugherty
