

**CONSUMER LIAISON GROUP COORDINATING COMMITTEE
2021-2022 TERM**

According to the Consumer Liaison Group (CLG) [Purpose and Structure](#) document, the CLG shall be assisted by a Coordinating Committee (CLGCC) that will serve as a conduit for information between ISO New England and the CLG working closely with the ISO's designated point of contact. The CLGCC will establish the meeting agendas and work to fulfill the purpose of the Consumer Liaison Group, which is to create a convenient and meaningful forum for the flow of information between ISO New England and those who ultimately use and pay for electricity in New England.

The CLGCC shall consist of twelve members (six members and six alternates) with no more than four members from any one of the New England states. The CLGCC shall have at least one representative of residential ratepayers and one representative of commercial and industrial ratepayers. Members of the CLGCC must be either a ratepayer (or directly represent ratepayers), a member of a consumer organization, or a government consumer or government ratepayer advocate. The CLGCC members for the 2021 – 2022 term include:
