

PAC Meeting Registration and Access to Materials

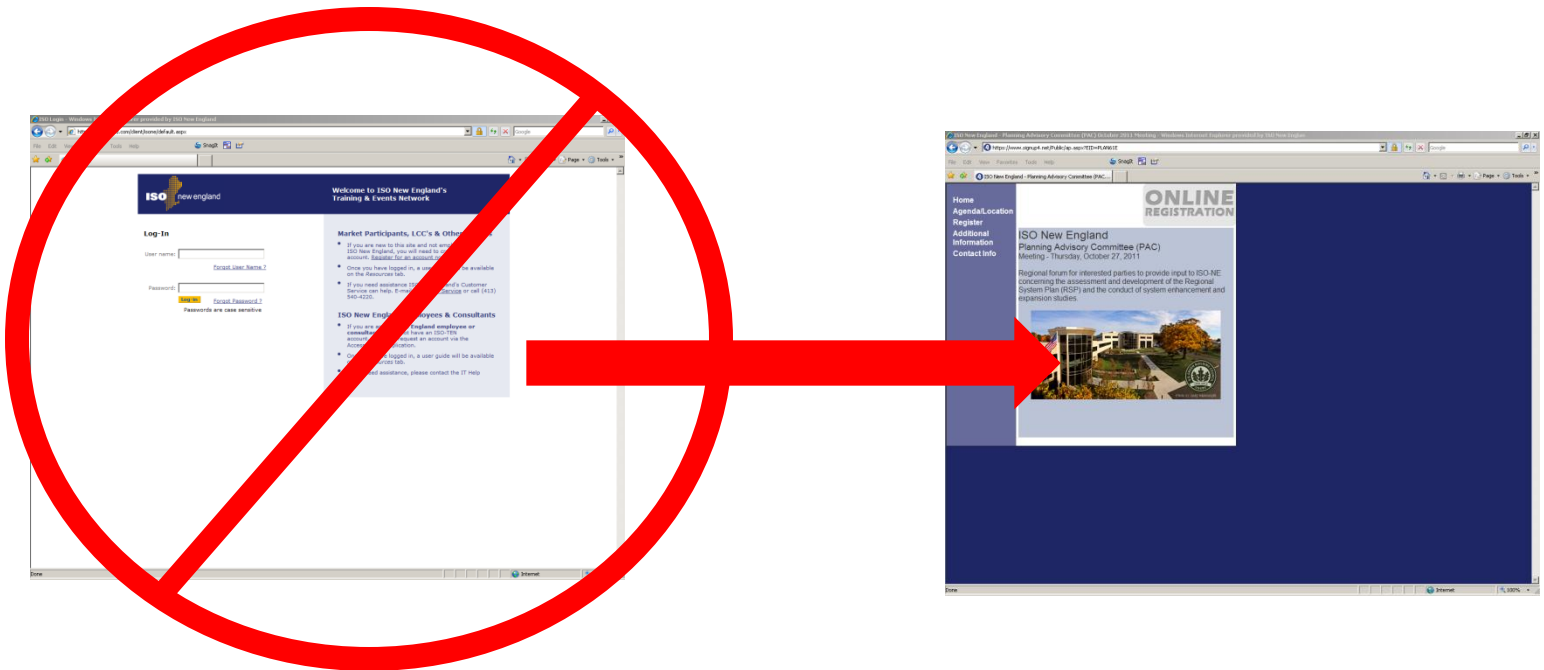

Meeting Registration and Materials – Secured and Simplified

Overview

- In order to improve the PAC Meeting Processes, ISO New England has simplified PAC Meeting registration and provided security enhancements for CEII related materials access

Meeting Registration Changes

- PAC Meeting Registration will switch from ISO-TEN to Signup4

Benefits

- Registration Process is Publically Available
- No Password to Remember
- No ISO Ten Account is Necessary
- More Flexible Registration Process

Event Notice is Posted

The screenshot shows a web browser window displaying the ISO New England website. The page title is "Calendar Detail View - Planning Advisory Committee". The URL is "http://www.iso-ne.com/calendar/detail.action?eventId=109911&date=20111027&cats=&type=&link=&yes&filter=off". The page features the ISO New England logo, a search bar, and a navigation menu on the left. The main content area displays the event details for the Planning Advisory Committee meeting on Thursday, October 27, 2011, from 9:00 AM to 5:00 PM. The event is categorized as "Planning Advisory Committee" and is located at Doubletree Westborough. A red arrow points from a callout box to the "Register for this meeting" link.

Meeting Material Changes

- Access to the meeting materials on the ISO New England Public Website (www.iso-ne.com) will be moved from username and password authentication to certificate base authentication.

The image displays two side-by-side screenshots of the ISO New England website, illustrating a transition in authentication methods. The left screenshot shows a login form titled 'Connect to www.iso-ne.com' with fields for 'User name' and 'Password', and a 'Remember my password' checkbox. This form is overlaid on a webpage titled 'Planning Advisory Committee Reports'. A large red circle with a diagonal slash is drawn over the login form, indicating that this method is being phased out. A red arrow points from the login form to the right screenshot. The right screenshot shows the same webpage, but instead of the login form, a 'Choose a digital certificate' dialog box is open. The dialog box contains a warning icon and the text: 'The website you want to view requests identification. Please choose a certificate.' Below this text is a table with two columns: 'Name' and 'Issuer'. The table contains one entry: 'John Smith' under 'Name' and 'Globalsign PersonalSign C...' under 'Issuer'. At the bottom of the dialog box are buttons for 'More Info...', 'View Certificate...', 'OK', and 'Cancel'.

Benefits

- Authentication is Digital Certificate Based
- No Username to Remember
- No Password to Remember
- No Password changes every 90 days
- Certificates are Valid for 1 (One) Year of Issuance

Material Review Process

- Locate the Documents on ISO New England Public Web Site (www.iso-ne.com) *No Change!*
- Click on the Document you Want to Review
- If the Document is Classified as CEII you will be Prompted for a Certificate
- Select Your Personal Certificate
- The Document that you Requested will be Presented to your Browser
- Once you have been Authenticated you will be able to review other CEII Classified Documents until you Close your Browser

Meeting Materials on Web
