Date: August 6, 2015

Subject: Revision to the Market Information Server (MIS) report descriptions, templates and sample files for the Divisional Accounting Project

ISO New England has made revisions to the MIS report descriptions, templates and sample files for the following 14 reports impacted by Phase 5 and 6 of the Divisional Accounting Project. The individual links below will display only the report description for each report. Complete details can be found on the MIS Report Descriptions, Templates, and Samples web page. These changes will be effective with the settlement of the Forward Capacity Market for August 2015, scheduled to be released by September 10, 2015.

SD_FCMAVAIL: **Modified.** Effective 08.01.2015. Added new columns "Subaccount ID" and "Subaccount Name" in the "Resource Hourly", "Resource Shortage Event", and "Supplemental Availability" sections.
